Dear Patients and Families of Our Place,

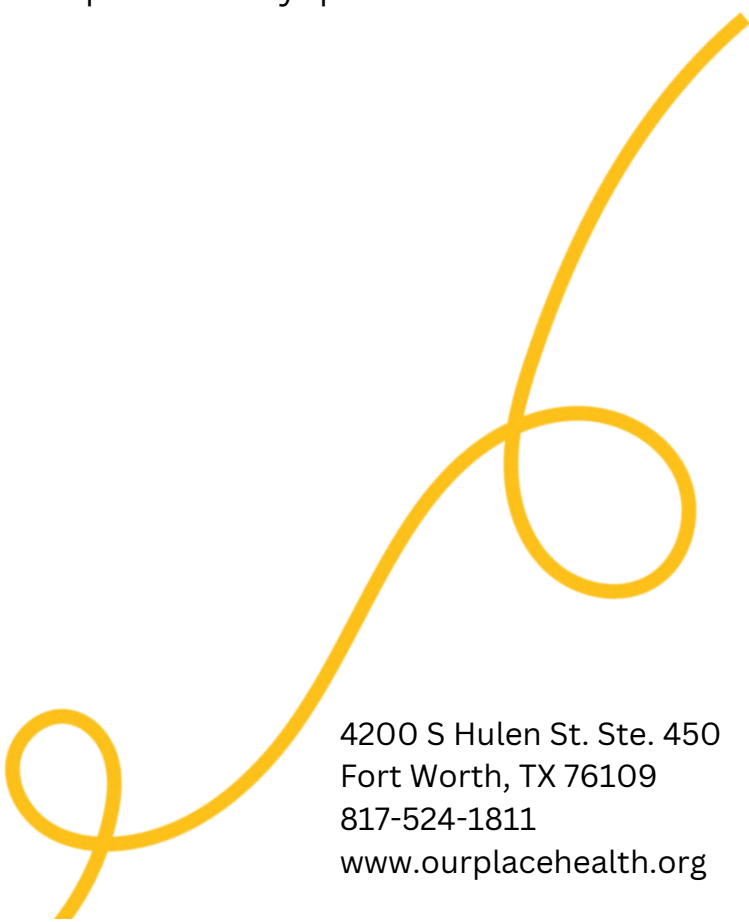

Over the past two years it has been a true privilege to be able to care for you at Our Place Adolescent and Young Adult Health. It is with a heavy heart that I share the news of my upcoming departure from the practice on December 12, 2025. This was not an easy decision as my work with you all has been a joy. As I transition, I will be taking a pause from clinical practice to dedicate time to community initiatives and my family.

I am working to ensure that the transition in your care is as smooth as possible. Your medical records will remain on file with Our Place Adolescent and Young Adult Health. To obtain or transfer your medical records to your new physician please call the clinic at 817-824-1811. We must receive an authorization form from you to release your files. A copy of this authorization form is attached below.

Please do not hesitate to reach out so that I can help answer any questions.

Sincerely,

Joyce Rafati, MD

Dear Patients, Families, and Friends,

Over the past four years, it has been an incredible privilege to be part of Our Place Adolescent and Young Adult Health. I have been honored to work alongside a dedicated team of adolescent medicine physicians and to care for many wonderful patients and families in the Fort Worth area.

It is with a heavy heart that I share the news of my upcoming departure from the practice at the end of 2025. This was not an easy decision, but after much thought and reflection, I have chosen to pursue an opportunity that will allow for greater flexibility and more time with my family.

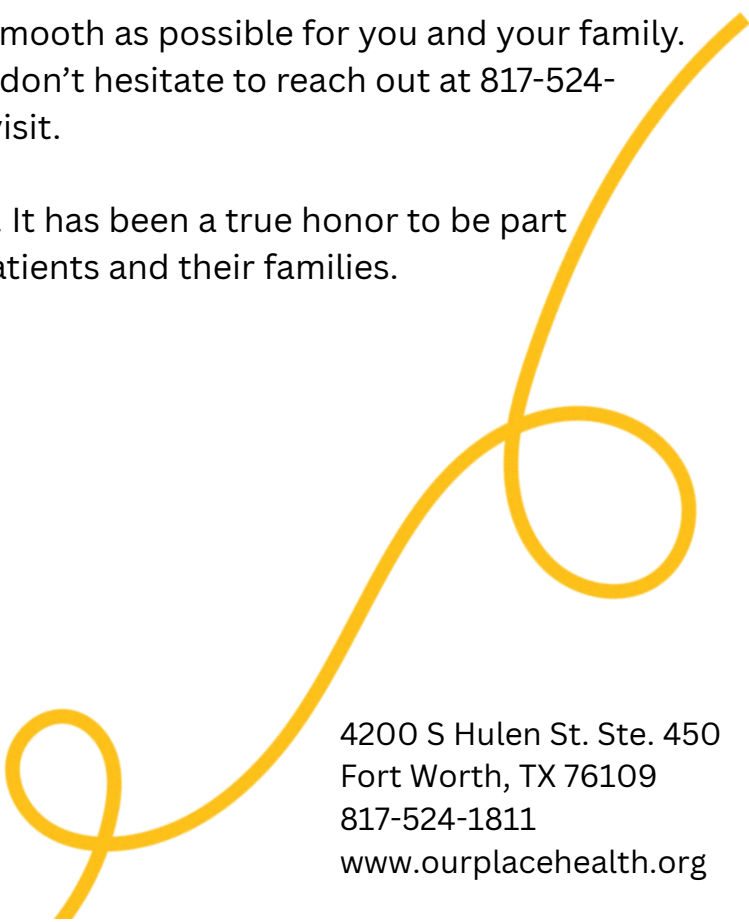

My last day in the office will be December 30, 2025. Until then, I remain fully committed to your care and will continue seeing patients alongside Dr. Parcels and Dr. Stone. Beginning in January 2026, Dr. Parcels and Dr. Stone will continue to provide the compassionate, expert care you've come to expect at Our Place.

We are working to ensure this transition is as smooth as possible for you and your family. If you have any questions or concerns, please don't hesitate to reach out at 817-524-1811 or speak with me during your upcoming visit.

Thank you for the trust you have placed in me. It has been a true honor to be part of your lives, and I will deeply miss each my patients and their families.

Warm regards,

Adele Reeder, MD, FAAP
